GSA Approved Transportation Service Provider

Air Transport

In today's marketplace there are many air freight options available, and shipping by air is often a complex endeavor. Let our Meyer Shipping air freight specialists handle it for you. Your shipment will be professionally and efficiently monitored and managed from point of origin through point of destination.

Ocean Freight

We are licensed by the Federal Maritime Commission as a Non Vessel Operating Common Carrier. We offer full documentation services including customs, AES and Certificates of Origin, hand delivered to the appropriate destinations. Ocean Marine Insurance and Customs Bonds are also available.

For over 60 years, Meyer Shipping has offered a full range of transportation and logistics services for both importers and exporters worldwide. These services include consolidation of shipments, freight forwarding by sea, air and truck, and all documentation services. We provide door-to-door transportation and customs entry to and from all points across the globe to the U.S. and other points of destination. Meyer shipping handles everything from containers – both dry and refrigerated – to LCL shipments down to low minimums. We also offer connecting domestic transport – truck and rail – worldwide.

Land Freight

We provide pre-carriage and post carriage services – both truck and rail – full container and LTL, throughout the contiguous 48 states and worldwide at all ports of departure and destination. Our drivers are punctual, and are available to work with your cargo-handling departments.
